'A Visit to a Hospital'

Last Monday I ~~see~~ went to a hospital to see my friend. He was admitted there. When I entered the hospital, there was a registration counter where patients were registered. There ~~was~~ were many people in front of the doctors' rooms. I went to a surgical ward firstly where nurses were attending their patients, but there was not my friend. One man said that your friend is in medical ward. Then I went to medical ward. There were patients lying on their beds. My friend was also there. There was also my friend. As soon as my friend saw me, he called me. He was very happy to see me. I returned to my home after half an hour. I feel very relax ~~good~~ to meet my friend.

To,

The Post Master

General Post Office, Dewas (M.P.)

Sir,

I want to give an information about the new postman of our locality, he always delays in delivering letters. Many times he hands over the letter to the other person. This is a big problem. My brother could not attend an interview due to the late delivery of the interview call letter.

So I request ^{you} to understand the problem and take an action as soon as possible.

Thanking you in anticipation.

Yours sincerely

Aditi Pal

My dear Pushkar,

I am fine here and hope that you will be fine there. It is a matter of great pleasure to know that you fared excellent in your examination and hope to get distinction in all subjects.

Now your summer vacations have started. I am missing you so much. So I request you come to my home and spend some time ~~at~~ with us during summer vacation.

There are many beautiful spots and some other things to enjoy in my town. Come as soon as you can. I am waiting for you.

Convey my regards to your parents and love to Chintu.

Your friend
Mridul Kumar

Wonders of Science

- Index:-
- (1) Introduction
 - (2) Scientific inventions
 - (3) Electricity
 - (4) Means of communications
 - (5) Medicine & Surgery
 - (6) Atomic energy
 - (7) Computers
 - (8) Disadvantages of Science
 - (9) Conclusion

"The science of today is technology of tomorrow" -
Edward Teller

"Science is a beautiful gift to humanity
we should not distort it" - A.P.J. Abdul Kalam

"Science is an angel in peace and devil in war"
- Prof. Hardy

Introduction:-

It is the age of science. There are many wonders of science. Science plays an

प्रश्न क्र.

important part in our daily life. It has changed our life. It has made our life easier and more comfortable. Science is nothing but a systematic way of knowledge and living.

(2). Scientific inventions :-

Science is ~~more~~ inventing new things daily. It has given us wonderful things as radios, television, cars, electricity, cinemas, X-rays, printing presses and gramophones. All are the new inventions of science. Science has given eyes to the blind, ears to the deaf, legs to the lame and food to the ~~hunger~~ hungry.

B
S
E

(3). Electricity :-

Electricity is the greatest invention of a man. It runs our trains, mills and factories. It keeps cool and warm our houses. It washes and irons our clothes. Now we can sail on seas and fly in the air.

(4). Means of communication :-

Buses, cars, ships, trains and planes are the greatest contributions of science. Man can reach

प्रश्न क्र.

any part of the world within hours. He has even reached the ~~the~~ other planets and stars with the help of science. The day is not very far when man will be able to travel easily to other stars and planets.

(5) Medicine & Surgery:-

Science has not only cured man from terrible diseases but ^{also} he has lengthened his age and made him healthier as well in the field of surgery too. Science has done wonders. Heart surgery and heart transplantation have become ordinary things now-a-days.

(6) Atomic energy:-

With the discovery of atomic energy man has harnessed an inexhaustible source of energy of the world. It can meet the demands of energy of the world for a long time.

(7) Computers:-

Computers are the great and wonderful inventions of science. Computers have helped man in several fields. They help in controlling several machines, rockets and T.V. stations. They make ~~not~~ complex and complicated

calculation in a fraction of a second.

8) ~~Disadvantages of science:-~~

~~The invention and production of atom bombs and other dangerous weapons are a great threat to the world at large.~~

8) Disadvantages of science:-

Everything has two sides - bright and dark. Science too has a dark side. The invention and production of atom bombs and other dangerous weapons are a great threat to the world at large. These can destroy the world within seconds. Pollution of atmosphere is also a great threat to the existence of humanity in the world.

B
S
E

9) Conclusion:

Science is a great helper to modern man. If it is used properly, it can make the life of man healthier and happier.

Truly it is because of science that man is called the master of the world. Science is everything without it nothing.

(b) Title:-

In Modern World: Role of Women

(c) Summary of the passage:-

In modern day women perform varied roles. They work at many places as schools, offices, shops, banks etc. They are sometimes left with little time for their family. In such cases they need to cut down their working hours so families do not feel neglected. If their families supportive they can do their duties well as homemakers.
