E

At the recent assembly elections. I voted for the first time, the polling center for our area, was in the nearby govt. primary school. There were separate queues of male and female voters. They were called the voters one by one and checked voters card and number in the voter list. Then a mark was indelible ink on the finger of each voters. Then the voter was sent inside where was electronic voter machine. The voter was press the button for his candidates. The polling officers, presiding officers, and polling agents.
