Model Answer - Visit to a Hill Station

I went to Simla in last winters with my family. First of all, we bought a tour package from a tour operator. Then we purchased some necessary articles that were supposed to be carried on to the journey. We traveled by a train from Gwalior to Delhi. After that , we took a taxi and reached Simla. We went to Kufri which is nearly 10-15 Km. away from Simla. In Kufri the road and trees were covered with snow. We saw the Kalimata temple, Mall road, Guru Dwara, and few more places. The scene in Kufri was so

beautiful that I can't explain it in words. I like most the natural beauty of Simla. Everywhere there was greenery. The weather was so pleasant, that every thing was looking beautiful. We stayed there for three nights and four days. We were very much excited to reach Simla and to play with snow. The visit was useful. We enjoyed a lot in the visit.
