Greetings from the Automotive Skills Development Council (ASDC)!

We are pleased to announce the launch of the National Automobile Olympiad (NAO) 2024, a prestigious event created in collaboration with the Central Board of Secondary Education (CBSE). This exciting Olympiad, which was officially launched on May 21, 2024, is designed to inspire and nurture automotive enthusiasts and innovators among our students. The National Automobile Olympiad aims to promote and develop automotive skills among students across the country. Given the vital role the automotive industry plays in our economy, there is a growing need for a skilled workforce to meet its evolving demands. The Olympiad offers an excellent platform for students to demonstrate their knowledge, expertise, and problem-solving abilities in the field of automobiles.

We believe that participation from schools & students will greatly enhance the impact of this event. Students will benefit immensely from this opportunity, aligning perfectly with your commitment to holistic education and skill development. By participating in the National Automobile Olympiad, your students will:

1. Engage in friendly competition and enhance their skills.
2. Apply classroom knowledge to real-world scenarios through theoretical assessments, practical demonstrations, and problem-solving exercises.
3. Interact with industry experts and gain insights into emerging automotive technologies.
4. Explore diverse career prospects in the automotive industry.

Students from Class 6 to Class 12 are eligible to participate in NAO 2024.
