Subject: Regarding Vidyarthi Vigyan Manthan 2019-20: India's Largest Science Talent Search for New India using Digital Devices.

Dear Sir/Madam,

Vigyan Prasar, a national institute for science and technology communication established under Department of Science and Technology, Government of India, in association with National Council of Educational Research and Training (NCERT) and Vijnana Bharati, a not for profit organization led by eminent scientists, is conducting the Vidyarthi Vigyan Manthan (India's Largest Science Talent Search for New India using Digital Devices) for classes 6th to 11th.

VVM aims to provide a platform for inculcating and generating interest in pure science. All winner students will get a mentor for their future studies, certificates and awards. This exam is totally in digital platform which leads our young generation to new world of science. The brochure of the VVM 2019-20 is attached with this letter.

I take this opportunity to introduce the special website vvm.org.in developed for large scale participation from students. Successful students will get a chance to interact with renowned scientists of our country. I am sure; you will consider it as an opportunity to showcase young talents from schools working under your aegis.

In this regard, I would like to request you to please recommend the VVM platform to showcase the talent hidden in the children of Madhya Pradesh. The registration is open under two categories (i) Schools (ii) Individual students. Schools/students can opt any option whichever suits them. It is perhaps the biggest such initiative where students take the exam through mobile phones, laptops, tablets and laptops / desktop computers. Our state coordinators will be available to provide the information and guidance required by schools for this examination. Contact details of the state coordinators can be seen after selecting the respective state through @ contact us - state coordinator - menu options of our website. Circulars of Central Board of School Education (CBSE) and Council of Boards of School Education in India (COBSE) are also attached herewith for your ready reference.

NOTIFICATION

VIDYARTHI VIGYAN MANTHAN (VVM) 2019-20

India's Largest Science Talent Search for New India using Digital Devices

Vigyan Prasar, a National Institute for Science and Technology Communication established under Department of Science and Technology, Government of India, in association with National Council of Education Research and Training (NCERT) and Vijnana Bharati, an NGO led by eminent scientists, is conducting the Vidyarthi Vigyan Manthan (VVM) for school students of classes VI to XI.

VVM aims to identify the bright minds among the student community, who are keen on subjects related to science.

The objectives of VVM are to:

- create interest among students in pure science
- educate school children about India's contributions from tradition to modern, to the world of science and technology
- provide hands-on training to students through workshops and other events
- provide mentors for preparing students to carry forward their science education at higher levels
- conduct competitive tests to identify students who have a scientific attitude
- identify successful students at the State and National Levels and felicitate them with prizes and certificates
- organize exposure visits for the winners to various R&D institutions in the country.

All the school heads are requested to encourage their students to be a part of this unique programme. For registration and other details please visit www.vvm.org.in

Dear Sir/ Madam,

Subject: Vidyarthi Vigyan Manthan 2019-20: India's Largest Science Talent Search for New India using Digital Devices

I am writing to bring to your kind notice that Vigyan Prasar, an autonomous organization under the Dept of Science & Technology, Govt of India, in association with the National Council of Educational Research & Training (NCERT), Ministry of HRD and Vijnana Bharati (a non-profit organization led by eminent scientist) are successfully conducting a national level talent search examination named Vidyarthi Vigyan Manthan (VVM) over the last five years. It is India's largest Science Talent Search for New India using Digital Devices, totally focused on school-going children from Class VI to XI from across the country.

Dr. Arvind C. Ranade, Scientist 'F', Vigyan Prasar, has requested COBSE to, in turn, request all State Boards to participate in the VVM over the upcoming academic year 2019-20. A copy of the letter received from Vigyan Prasar along with a brochure giving objectives of Vidyarthi Vigyan Manthan (VVM) as well as detailed procedures for registration of candidates and conduct of online examination is enclosed herewith for kind perusal.

It is pertinent to mention here that Vidyarthi Vigyan Manthan is a unique digital application based talent search examination that is conducted online at the national level. The registered students will be allowed to take the exam from his/ her school or a specified centre through his/her own device, namely, a smart phone (mobile), laptop, desktop (school lab) or tablet. Exam will not be conducted on any of the Apple Devices. The school level examination can be answered on any one of the specified dates (either on a working or a non-working day) as opted by the 'School Exam Coordinator'. Timing of the examination will be the same all over India. **The mode of registration will be online only.** [Email: vvm@vibhaindia.org; Contact No. 011-49032436, Mob: 9899615277].
