Answer of Question no=3.

Essay = Importance of Trees

B
S
E

- Outlines =
- 1) Introduction
 - 2) Other services
 - 3) Different kinds of trees
 - 4) Usefulness to animals
 - 5) Other Importance of trees
 - 6) Urgent need for planting trees
 - 7) Conclusion

1) Introduction :- Trees are very important in our ^{life}. They provide us fruits to eat and firewood to burn. We make furniture from (there) woods. Trees (refreshes) our mind. They maintain nature balance. They provide us oxygen to breath and ~~also~~ absorb the carbon-dioxide that we exhale. They make starch for our food, which is necessary for our body.

प्रश्न क्र.

B
S
E

2) Other Services :- They cause rainfall. They enhance natural fertility of soil. They provide us shadow. Hot days are made cool by trees. Trees control floods. Trees bind soil in their roots, so that prevent top soil to be washed away during floods. Trees also enhances beauty.

"Trees are the poems, that the Earth writes upon the sky"

3) Different kinds of Trees :- Different types of trees provide different services. Trees are of different types, some provide us fruits, or some flowers. Rubber tree provide us rubber. Every part of coconut tree can be put to some use. Some trees are sacred trees of Hindus like Peepal tree.

4) Usefulness to animals = Trees are very useful for animals too. Trees provide shelters to thousands of birds, and insects. Insects hide in trees. Trees are very important as birds make their nest on them.

प्रश्न क्र.

The leaves of trees are food for several animals. Trees play an important role in food chain.

5) Other Importance of Trees:- We worship trees. Some trees are sacred to Hindus. Trees are so beautiful. Trees are important not only because they provide us services but also for their beauty. Trees refreshes our mind, our eyes. Our day become so nice and good in presence of trees.

"Save trees now, They will save you in future"

6) Urgent need of Planting Trees:- Once upon a time, trees were in large percentage in our country, but as population grew, trees used to be cut and their houses be made in those places. But there is a need for planting trees. Some communities even protecting trees from their own. Government also making efforts for planting more.
