Paragraph - writing

" Whether the study of three languages at School is necessary or not.

**B
S
E**

Ans. Study is ~~com~~ important of our life. It can make our future. If the people studious they have been respected, Honoured and given importance in the society. If they become learned the other people untimely come to them. As we know that India has been differen- different communities. So "The study of three language at school is necessary" so that All the people become learned. The study of three languages like Hindi, Urdu and English are necessary for the study in India. But it is even has been disadvantage because of if the study of three languages will be taught in India this creates fight among Indian. The fight would be started between Muslim and Hindu. It has been both advantage and disadvantage. But the government should be thought with their minds.
