Khandwa (M.P.)

Date - 4th March, 2023

Dear Rahul,

How are you? I am fine here and hope the same at your end. I want to tell you an amazing, exciting news that on 28th February, a cricket match was there and I was one of the players of our team.

The match was very competitive, our team was playing very well. The match was about to end and our team was doing batting and fielding.

The player from opposite team hit the ball with energy, I was doing fielding and guess what, I caught the ball, everyone appreciated me and we won the match.

Give my warm regards to your parent.
Yours Truly
Anuj Duley

Answer to Ques 5 (OR)

"Study of three languages"

We all are living in 21st century, where languages play a vital role in everyone's life whether a person who is going to office or one who works in abroad or we can say a student going to school. In today's world everyone is busy in achieving his/her goal to become successful in life. Today everyone is involving in learning new languages like French and other languages with their mother tongue (like our Hindi) and 'Global language is English'. Nowadays it is necessary to know other languages also because of this necessity schools are making their children to learn another language with Hindi and English.

Many schools are nowadays also teaching French language to their students and slowly-slowly making it compulsory for every student to learn French, exams are also held for the same.

The study of three languages at school is necessary as it will help a

Ques 13 Answer - - - - - words

Ques 13 (2) What - - - - - stillness

Answer to Ques 13 (2)

The poet (John Keats) proves his saying that there can be life under apparent stillness by earth example of earth. The poet invokes that earth never stops its working by symbolising ^{the} earth. He said nature always remains at work.

The poet 'John Keats' of the poem 'A thing of Beauty' beautifully illustrated this by saying —

as when everything seems dead and later proves alive".

In his poem poet explained that when the seed is thrown seems it have no use when sowed in soil and when the seed go gets water it develops into a plant and brings fruits, flower.

This perfectly illustrates the above lines.

प्रश्न क्र.
