Subject :- Regarding the fault of a digital camera.

Dear Sir,

Recently I have purchased a digital camera from your shop. The bill number is 109 and dated 02-February-23.

After sometime I noticed a major fault in it. Its lenses become so rough and images are blur. It is

under guaranty at that time. I request you to please inform about my complain to company so that I may get a new camera.

Respond me soon, sir.

Thanking You!

Yours faithfully  
Amit Jain.

Paragraph

Yes, The Study of three languages at School is necessary. I am fully convinced with that. The language is the thing in which one feel proud on him. One should keep their faith and proud on their own language because the language gives the idea of living and how to share our feelings and emotions to other. Many languages are spoken in all over the world. In India, Hindi is the language, who is simple and emotionfull language. English is the language, which is spoken all over the world now-a-days. And the third one, is the mother tongue language, which is spoken in home, with relatives in gali, mohalla or villages like Marathi, telugu, Kannada, gujarati etc. That's why Now-a-days these languages are studied in school also. The first one is the most important language which is English. English is the medium of exchange. our ideas. The english

is an international language and spoken all over the world. The person who is able to understand and speaking English fluently then he can get a good job in the whole world. In India, the second one is 'Hindi'. Hindi is also known as mother tongue for many states in India. Its vocabulary is simple and correct manner of words (lipibadhi). Many schools are Hindi medium in the states so the Hindi language is to be taught in school. And the last one is the language which is one's mother language, it can be Urdu, Punjabi, Bengali etc. This language is also very important for one's life because it is the language which is spoken by the person very firstly during birth. To feel proud on our language, this language is also studied in school at that time. There is no difference and discrimination between anybody's language. Thus, the study of these languages is very necessary.

(1) Do you think Charley?

Ans - (1) → Yes, I think that the third level was a medium of escape for Charley because the modern world is full of insecurity, fear, war, worries and strays. Men has to confront them all the time. The Charley want to escape from the insecurity and strays of modern world. So, He

think that the third level is only medium of escape because the third level is a product of Charley's imagination. There is no relationship between the third level and present time because the first two level is located in present time but the third level refers to the time of 1890's. It show that there is a interaction of time and space between the present time and Charley's imagination. Thus, It is cleared that the Charley wants to escape from modern world with the help of third level i.e, third level is his imagination.
