प्रश्न क्र.

Answer no. 3'Value of Games'

'A sound mind in a sound body' is an old maxim. There are three aspects of human personality - the body, the mind and the spirit.

Full development is possible through physical, mental and spiritual development.

Out of these three body development is first.

The other two are based on it.

Games are ^{the} best source of physical exercise.

Physical exercise is as necessary as the exercise in different subjects like English, Mathematics etc.

Games are also good source of recreation.

They remove the dullness of the student.

Students can get good physique by playing games in fresh air.

Games keep us healthy and active.

Blood circulation increases through games.

प्रश्न क्र.

Games can be categorised into two categories :

Indoor & Outdoor games.

Indoor games include Ludo, Chess, Carrom etc.

Outdoor games include Cricket, Football etc.

Sport arena teaches us discipline.

The time is over for a bookworm that he can't be anywhere in sun - fast - sun competition everywhere.

We should blend games with study in a suitable ratio. Merely bookish knowledge can not help in proper development.

What the country needs now is an active mind in a healthy body.
