The "Value of Games"

Games and sports are very essential for a healthy life. Education and games both are equally important for us. Books help in developing mind and games in healthy body. Both are important but excess of one is dangerous.

There is an old saying, "Healthy mind lives in healthy body". This means games helps us in maintain our body fit and fit body helps in make mind fit. There is also an other saying "All work and no play make Jack a dull boy", means to make body mentally fit games and sports are very essential.

Games are the integral part of Education. Every school has a one
