Answer No- 19

"Partition of India"

On the midnight of 14-15 August two countries India and Pakistan separated from each other. Here are three important reasons for the partition of India are -

B
S
E

1] British Policy

Partition's Reasons

2] Role of Muslim League

3] Congress behaviour toward Muslim League.

1] British Policy :-

One of the prominent reason behind the partition of India and Pakistan was the Policy of British - "Divide and Rule", through this policy British shown a seed of communal partition. Three major acts were passed by British

प्रश्न क्र.

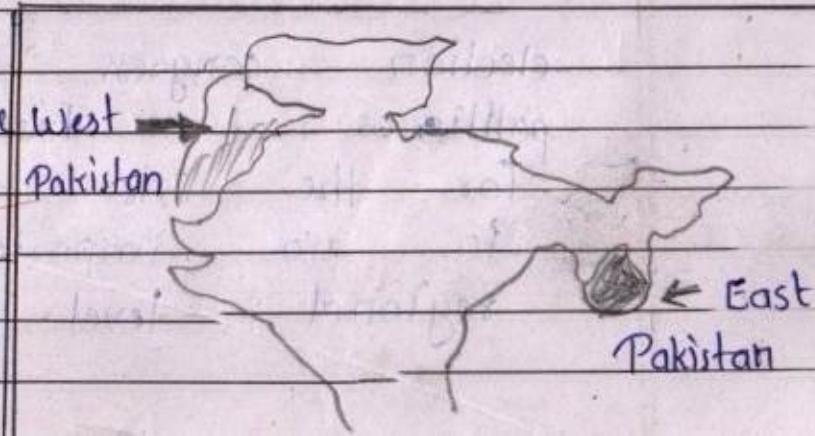

- Example-> 1. Govt. of India Act 1907
2. Govt. of India Act 1919
3. Govt. of India Act 1935.

2.1 Role of Muslim League ->

The "Two Nation Theory" advanced by Muslim League played significant role. Muslims feel separated themselves from Hindus.

3.1 Congress Behaviour toward Muslim League - Although congress all time accepted demand of the Muslim League, but soon they increased their demand. Also the lack of representation in Interim govt of India played a significant role in Partition of India.

Here are the reason for the partition of India into West and East Pakistan.

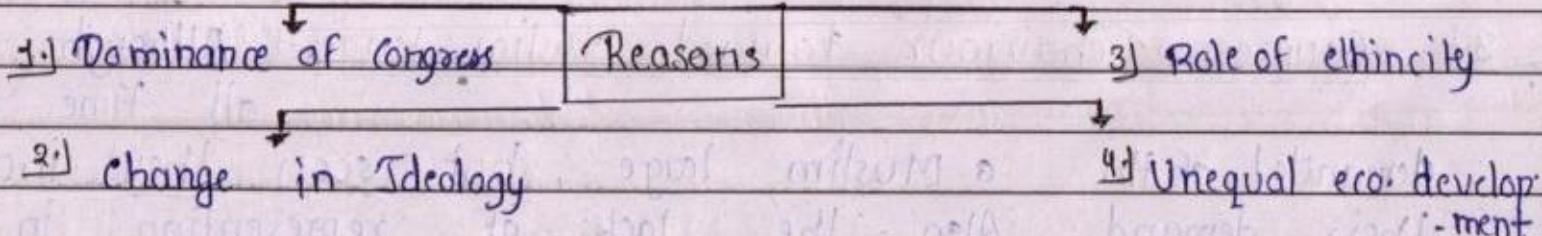

Answer No- 18

"Emergence of Opposition Parties"

Regional Parties are those parties which have a small area of influence i.e. the within a state or a region.

Here, the following are the reason for the rise of region parties in India -

1) Dominance of Congress:-

Since first three election congress dominated the Indian politics. This was one of reason for the rise of region parties, due to no important measures taken at regional level.

2.) Change In Ideology :-

congress since independence act as an umbrella ideology party, but due to lack representation of some ideology resulted in the rise of regional parties.

3.) Role of ethnicity:-

The caste based politics started and as result parties like BSP, SP etc are emerged as sole representative of a particular caste.

4.) Unequal economic development :-

Due to lack of equal economic development their has been an rise in number of regional parties.

All this reasons, responsible for the rise of regional parties.
