M. Hamel declared that French was the most beautiful language of the world. It was the most logical language of all the languages. He asked to people for guard it among themselves and never forget it. As long people hold fast to their language they have key to freedom. We all must respect and loved our language.

M. Hamel was so sad about that he would no longer teach in French. This statement suggests that one must never forget the importance of one's language and always respect to their language. We must realise the importance of ~~some~~ everything that we have in our present.

प्रश्न क्र.

Question no. 12 (ii)

The peddler thought that he must not walk on a public ~~road~~ Highway with stolen money in his pocket but must turn of his road into the woods. He went into a forest. It was very big and confusing forest. He continued walking without coming to an end of it. He got tired and lasted in the forests.

Therefore Thus, he realised that he had fallen into a rattrap. He tempted himself to touch the ~~bait~~ bait as the thirty cronor and now he went here and there without peace.

Question no. 13 (i)

In the poem 'Keeping Quiet' the poet 'Pablo Neruda' demands to become quiet and do self-introspection. By his hurry and rush actions, human have already creat too much troubles and chaos in the

प्रश्न क्र.

world. Now it is the time when he should take a pause and do self-introspection. Stillness should not be means to total inactivity. Total inactivity brings death. The poet just wants to halting harmful activities of human beings.

Counting up to twelve and keep quiet for this brief time will help us to become fresh and create the understanding among humans beings.

Question no. 14 (i)

All the ~~thoughtless~~ thoughtless activities of human^{beings} such as increasing megacities and cities, cutting forests and turning them concrete jungles, unlimited burning of fossil fuel, increasing carbon-dioxide and depleting ozone, global warming, melting of ice-caps and our battle with other species for limited resources and many other ~~reckless~~ reckless activities ~~point~~ point out a grim future of human~~ne~~kind. It effects our health and disturbs the nature's working. Man is

प्रश्न क्र.

the creature of all these problems, his greed, will turn a whole world into danger. We must realise that preservation of the environment is very important for our happy life.

Date - 08-02-2024

To,

The Post Master,
Head Post Office,
Guna, (M.P.)

Subject: Complaint against the Postman of our area.

Dear Sir,

With due respect, I would like to draw your attention towards the negligence of the duty of the postman in my area. He is very careless about his duty. I am not getting my letter properly. He delivers the letters very late and returns the parcels of someone's who is out of town. Many important letters are thus lost.

Hence, I request you to kindly look into this matter and give us help as soon as possible, I shall be greatly obliged for this.

Thanking you,

Yours faithfully,

Priyanshi Batra

Question no. 5.Report "An accident witness"

07, June, 2024

Priyanshi Batra,

It was the evening time when I saw that accident. A bus ~~car~~ collided with a running passenger train. The accident occurred at the level crossing near Guna. The bus was running at a high speed. The driver thought that he would cross the level crossing before the ~~bus~~ train arrives, but the train arrived and gave a grant blow to the bus. The bus was overturned and fallen into a dry stream. Three people were dead on the spot while about 15 persons were injured seriously. Soon the local people arrived and took the injured to the nearest hospital. I was shock on to this fatal accident. High district authorities also arrived. Really it was a serious accident indeed. One must ~~safe~~ drive under safety in any dangerous or busy places.
