Subject - Regarding increase in rate of road accidents,
rash driving.

Dear Sir,

I shall be grateful if you publish this letter
of mine in your esteemed daily. From last few
years, the cases of road accidents, Hit and run

प्रश्न क्र.

cases are increasing at a very rapid rate. It is a very alarming issue. Recently, two days back ~~an~~ an accident took place in our area. Possible reasons for the increase in road accidents cases are lack of traffic signals, big potholes on the road, negligence of people toward traffic rules, driving after drinking.

I would like to invite the attention of higher authorities towards this issue. A workshop should be organised by government to make people aware about traffic rules, more and more traffic signals should be setup, Making proper arrangement to cover potholes and mandatory to wear helmet. Issue needs severe attention.

Thank you.

yours sincerely

in the world. English has become the most vital requirement for various fields ranging from medicines to information and technology.

No country can make progress without English.

We, Indians, are champion in information technology only because we are good at English.

English help us to grow not only on personal level but also on the professional level. It develops our personality, enabling us to settle in other countries as English is also a link language.

Hence, we must pay proper attention to learn this language.

At last -

"English is the part and parcel of every field."
