Sub: Concern over road accidents

Sir,
With due respect, I want to state that the road accidents in our locality are increasing day-by-day due to rash driving & increasing traffic. Hence, raise this issue to make people aware & publish about new technologies in traffic control, so that system can improve.
Thank you for your kind favour.
Yours Sincerely
Maidul Singh

Question-4 (ii)

"English is the universal key,
unlocks doors for you & me."

Language is the main component in communication. Every language holds its importance, but the importance of English stands out different from that of others. That's why English is also known as international or universal language. At current time, English is first language in 18 countries and recognised as official language in 68 countries. Knowledge of English is also required to travel abroad for educational or business purpose. A person must have grasp in at least two language. Therefore; best option for second language is English due to its numerous benefits. Along with that, it's our duty to safeguard our mother tongue as well.

Question-13

11

"My mother at Sixty Six" by Kamala Das is an emotional expression of poetess's concern about her mother's health and growing age. Her mother's face looked ashen and seemed like a corpse to him/her. Poem reflects the common though fear of humans of losing their parents, but feel helpless due to the pressure of professional life. Poetess's parting words and superficial smile conveyed her dilemma.

B

Question - 14

Mr. Lamb was an old man, who had lost his one leg in a bomb blast several years ago. Therefore, his one leg was made of tin. He was a social person who welcomed everybody in his big house and beautiful garden. He had put no curtains in windows and always kept the gates open. According to Dewey, he was peculiar but he changed by Dewey's attitude towards life by encouraging and cheering him.

Question - 15

- i) When Franz reached school and came to know about discontinuation of French teaching in schools, his feelings about M. Hamel and school got completely changed. He regretted for not studying properly and wasting his time. Books, which he considered trouble earlier, now felt like good old friends. He forgot about inevitable nature of M. Hamel and felt sad for him because he had to leave city after giving 40 years of service.

प्रश्न क्र.

When peddler stole crofter's thirty
Kronors and went into forest
instead of highway to remain
safe, he got trapped into the
forest.

The forest was so confusing and
puzzled that he was unable to
escape from there. Then he recalled
his thought and realised that
Kronors acted as a bait and
he had indeed fallen into a
rattrap and his end was near.
