## UNIT - 1

### (Text & Detailed study)

1. Read the extract carefully answer the questions

(i) 'Expect' ✓

(ii) Slip ✓

(iii) Slip of fate ✓

**B**  
**S** (iv) As she had no dowry, no expectations, so she destined to marry to a little clerk of the Ministry of Public Instruction. This was the fate of the girl

2. Read the extract carefully and answer the questions

(i) By 'crown' the poet means the achievements

(ii) They scratch his name on the Abbey-stones.  
Here, they refer to 'Soldiers'

(iii) Abbey - Stones

(iv) The poet finds himself better than a soldier in the sense that he gets a chance of last ride with his beloved and enjoys the heavenly bliss in the company

of his beloved.

Q.3 Answer any six of the following questions

Ans.(a) The poem 'Invocation' is an extract from 'Atharvāda' which is translated by Abhinash Chandra Bose. The poet <sup>wants</sup> to establish unity between our countrymen and strangers.

Unity is sought in many ways. There should be unity between us and strangers. We should unite in mind and purposes. We shouldn't fight against the divine spirit within us.

Ans.(b) Mathilde was an extraordinary beautiful lady. As she had no dowry to pay she married to a simple clerk. She had no good dresses and jewellery. She was distressed at the poverty of her dwelling. She had shabby chairs and ugly curtains. She resented the life of luxury that she had wished for.

प्रश्न क्र.

Q. Casuarina tree is dear to poetess for many reasons. It is a magnificent tree. It provides shade, shelter and good cool breeze to many creatures. The poetess 'Toru Dutt' is also attached with it emotionally. She has spent <sup>her</sup> childhood under its shade. So the tree is an inseparable part of her life.

Ans. Q.

Ans. Q.

Autumn plans to bend the cottage trees with apples. Autumn plans to fill all the fruits with ripeness to the core. Autumn conspires with sun to fill all the fruits with ripeness. 'Sun is the bosom friend of Autumn'.

Q. The author is trying to unfold the mystery of 'Abominable Snowman'. He takes footprints as an evidence of existence of abominable Snowman. The analogy that the author Major Harold William uses is that if the fingerprints can decide the hanging of a man why footprints can't <sup>establish</sup> the existence of one.

Ans. (g) The author Dr. Karan Singh wants our youth to be physically and <sup>intellectually</sup> ~~spiritually~~ strong in order to serve the nation.

The author wants our youth to be physically strong because we have to build a great democracy and defend it from aggressors.

**B  
S  
E**

The author wants our youth to be intellectually strong in order to compete with the highly competitive age of science and technology.

Q.4 Answer any two of the following questions in about 80 to 100 words.

Ans. (a) Einstein was a peculiar and extraordinary boy. He had his own views regarding education. His views were different but rational. He didn't like learning facts, figures and dates written in books. Albert thought that he could never pass the examination because he was not similar to other students of the school. He never liked to learn the facts and historical data. He had to go back to school which was most hateful place for him. He went school.

only to fulfil his father's wishes. Finally he decided to leave the school.

(b) Lushkov, the beggar was begging in the streets. He told Skvortsov that he was very hungry and had not tasted food for three days. He had no money for night lodging. He told Skvortsov that once he was a school-master and lost his job through conspiracy. He had been jobless for one year. Now he got a job at Kaluga Province but had no money for journey so he was begging.

lie  
Now caught a Lushkov lying because he was begging in the name of student the day before. Skvortsov scolded Lushkov mercilessly for begging in the name of schoolmaster and student in order to earn sympathy from people. He also threatened him to hand him over to the police.

## Unit - 4 (Drama)

Ans. (a) 'The Silver Box' is written by John Galsworthy. The whole story of the play revolves around the silver box which is an expensive cigarette case. It is the central thing in the play.

**B**  
**S**  
**E**

One night, an unemployed Mr. Jones took the silver box from Mr. Barthwick's house. Mrs. Jones works in the Mr. Barthwick's house. Jack's father Mr. John Barthwick suspects Mrs. Jones for stealing the box. So he hires a detective named Robert Allow [Snow] <sup>to find the box</sup>. Mrs. Jones one day finds this box in her house. She insists on returning the box to John Barthwick but her husband wants to throw it into the river. In the same time Snow enters the room and recovers the silver box in which the letter J.B. <sup>is</sup> engraved. He charges Mrs. Jones for stealing the box. Mr. Jones prevents Mr. Snow <sup>from</sup> arresting his wife. But when he does not

listen Mr Jones gives him a blow. He is also arrested.

So, the Silver box is the main thing in the play. All conflicts and sufferings arise from it. The word silver is given to the title, the colour of class struggle as the silver is the symbol of riches. So, the title 'Silver Box' is appropriate.

Answer any five of the following questions

Ans. (c)

(c) Mr. Jones is taken into the witness box. He denies the stealing of silver box but accepts <sup>the charge of</sup> attacking the police. He says that he takes the silver box in drunken state and he also says that Jack let him in the room and allows him to take whatever he wants. He also says that Jack <sup>also</sup> has stolen the purse. But his voice is suppressed and sent to prison for one month with hard labour.

Ans. (d)

Ans - The official name of detective Snow was Robert Allow. He was appointed by Mr. Barthwick to find the silver box which was stolen from his house.

Ans. (e)

Ans - Jones ~~family~~ <sup>were</sup> were very poor. They lived in a small house with tattered oil cloth and the damp or distempered walls. It had an air of <sup>tidy</sup> wretchedness.

Ans. (f)

Ans - An unknown lady visits Mr. Barthwick's house early morning. She says Mr. Barthwick that last night his son had stolen her crimson silk purse containing 7 pounds 12 pence. She also says that she has to pay rent and has now no money to pay it. Mr. Barthwick gives her 8 pounds.

Ans. (b)

After meeting with unknown lady, Mr. Barthwick calls Jack and scolds him. He says that he is a nuisance to the society and has no moral values. He warns him that he would not defend him next time.

Unit - 3  
[Fiction]

Q.7 Answer any one of the following questions

Ans. (2)

- i) Swami was the student of class I(A) of Albert Mission School. He was quite happy at school. His happiness was due to his four friends which are as follows:
- (i) Mani ⇒ Mani was mighty - good-for-nothing. He was ~~the~~ taller than any other boy of the class. He seldom brought any book and never cared to do his homework. He bullied all the strangers that came to his way. Swami was proud of his friendship.

प्रश्न क्र.

(2) Somu  $\Rightarrow$  Somu was very confident boy of the class. He was also the monitor of the class. No teacher ~~can~~<sup>could</sup> question his duty. He was very calm.

(3) Samuel  $\Rightarrow$  Samuel was also known as the 'pea'. His friends called him because of his small size. He was similar to Swami.

**B** He was bad in arithmetics. He  
**S** laughed even on unnoticeable things

**E** (4) Sankar  $\Rightarrow$  Sankar was the most brilliant boy of the class. He could speak to the teacher in English. He always managed to get ninety percent marks. He knew all the rivers, mountains and countries of the world. He could repeat history in his sleep. Grammar was a child play for him.

Q.8 Answer any five of the following questions.

Ans-(a) Swaminathan and Samuel, the pea ~~was~~<sup>were</sup> similar in many aspects. They both were bad in arithmetics. The bond between them was laughter.

They both laughed very much even on unnoticeable things

Q.(b) Ans.(b)

Ans. When Mani told Swaminathan about his intentions that he wanted to bundle Rajam up and throw it into the river to crack his shoulders. Swami warned him to be careful as Rajam's father was a police Superintendent and a police was an awful lot. Mani didn't care all these and determined to undertake his plan.

Ans.(c)

Ans. Swami's grandmother lived in a small room which was an ill-ventilation <sup>passage</sup> between front hall and dining room.

Her belongings consisted of a bed made of five carpets, three bed sheets, five pillows, a jute box, a wooden copper box containing copper coins, cardamoms, cloves and nuts.

प्रश्न क्र.

Ans. (d)

As the fight was going on between Swami and Samuel, Sankar, Mani took the side of Swami while Somu took the side of Sankar and Samuel. So the fight started between Mani and Somu. They were fighting so violently that the other students got frightened. The headmaster came to the spot and ended the fight.

S  
E

Ans. (e)

Mani was Swami's close friend. Mani was mighty-good-for-nothing. He seldom brought any books and never cared to do his homework. He was taller boy than any other boy of the class. He bullied all the strangers that came his way. Even teacher didn't try to encourage him.

## Unit - 6 (Writing)

Q(3) Write an essay on any one of the following topics

### SCIENCE AND PEACE

**B  
S  
E**

**Introduction**  $\Rightarrow$  It is the age of science. There are many wonders of science. Science plays an important role in our day-to-day life. It makes our life easy and comfortable. Science is nothing but systematic way of knowledge and living. The Men's qualities of alertness, curiosity and keen observations of changes in natural happenings have given the birth to science.

**Scientific Inventions**  $\Rightarrow$  There are many scientific inventions. We <sup>have</sup> discovered big and small things through the observation of very <sup>small</sup> events. Boiling of ~~sax~~ kettle has given us the idea of railway engines. Falling of an apple had given Newton the idea of law of gravitation.

प्रश्न क्र.

Electricity is the biggest invention of science. It runs our mills, factories etc. It washes our clothes. Today's life is impossible without electricity.

Science is the beautiful gift to the humanity. We should not distort it.

- A.P.J. Abdul Kalam

**B**  
**S**  
**E**

Means of transportation  $\Rightarrow$  Buses, trains, cars, aeroplanes etc are the greatest contribution of science. We can reach one place to another within hours. Men have even reached the other planets.

Medical & Surgery  $\Rightarrow$  Science has prevented us from many terrible diseases like cancer, leprosy etc. Science too has done a great contribution in the field of surgery. Heart surgery and heart transplantation are now become ordinary things.

प्रश्न क्र.

**Computers**  $\Rightarrow$  Computers are the greatest contribution of science. They are useful in several fields. They can make calculations at higher speed. They are also helpful in railway reservation, banks - etc.

**Disadvantages of Science**  $\Rightarrow$  Everything has two sides. Science too has darker side. The production of atomic bombs and weapons are the threat to humanity. It can destroy world within seconds. Secondly, industrialisation has caused the problem of pollution.

**How to minimise the disadvantages**  $\Rightarrow$  We can minimise the disadvantages of science by creating healthy atmosphere. We should live in peace and harmony so the all causes of war may be ended. Secondly by planting more and more trees we can check the pollution.

**Conclusion**  $\Rightarrow$  Science is a great helper to a man. If properly used it can change the lives of men. It is because of the science only that the man is called Master of the world.

**B  
S  
E**

BOARD OF SECONDARY EDUCATION, MADHYA PRADESH

2015

Letter to younger brother

B-16, Sector-9  
Indore, Bhopal

4<sup>th</sup> March 2020

Dear Suresh

I am fine here. I hope you are also fine there. I am writing this letter to advise you about the setting and achievement of goal. After 12<sup>th</sup> board examination decide in advance in which <sup>field</sup> you have to go.

In whatever field you go always <sup>give</sup> your 100 percent. Remember that sincerity and hard work make any goal easier to achieve. First of all you are required to know about various fields and choose in which you have interest, ~~no~~<sup>no</sup> matter what your friends <sup>are</sup> doing you should focus on what you want to do and put all efforts towards that goal.

I hope you understand what I want to say. Keep focussing on your studies and take care of yourself.

Yours truly  
Ramkrishna
