Ques - 15.

271, Mohammed Pura  
 Dambi Marg.  
 Ujjain (M.P.)  
 4th March, 2020.

Dear Brother,

I hope you are good!  
 I am also good here. I had saw your  
 board result. I am happy with your  
 performance. I have written this letter  
 to tell you that this is the time  
 to set a goal for your future. My  
 advice is that choose the subject and  
 field in which you are interested don't  
 go with your friends and other people. Set  
 a goal for your career that what you  
 want to become and do in your life  
 through which your life becomes happy and  
 you get a lot of success. After setting  
 goal you have to work hard on it with  
 all your interest.

I hope you achieve whatever  
 your goal is and may you get a lot of  
 success and a bright future ahead!

Yours loving brother  
 Ramkrishna.

प्रश्न क्र.

Ques-13.

(a) Pollution: A threat to our life.

**B**  
**S**  
**E**  
Introduction:- Pollution is due to the mixing of unwanted substances in our environment through which our health gets affected. Pollution is increasing day by day as the population is growing and people is using our natural resources in a wrong manner which also causes pollution.

Kinds of pollution:- There are different kinds of pollutions we are facing which are extremely hazardous for our lives like air pollution, water pollution, noise pollution, land pollution etc. We are the only reasons for this pollution. Pollutants like harmful gases from industries and factories and from vehicles mix with the fresh air we breath and causes harm to our body. In water bodies mixing of harmful chemicals, impurities, micro-organisms etc also effect badly on our health and makes water polluted.

न क. Control :- All kinds of pollutions should have to be controlled as soon as possible because slowly slowly it will cause extreme diff effects. Pollution causes diseases like problem in breathing, diarrhoea, problems in digestion due to dirty and impure water. It should be controlled by us only. We should have to prevent it.
