प्रश्न क्र.

It has made dreams and Imaginations of man true. By observation Simple events man has Invented great things. Science is nothing but a systemetic way of Knowledge and living.

**B
S
E**

Scientific Inventions

There are many Scientific Inventions that have made our life very comfortable. Electricity is the greatest Invention of Science. It serves us in many ways. It lights our houses. It entertains us with T.V. and Radio. It fills our water. It runs trains, mills and factories. It cools and warms to our houses. Scooters, Motor bikes, Computers, mobiles, Radio, transistors etc. are the all Inventions of Science. Modern life is Impossible without Scientific Invention.

प्रश्न क्र.

Means of transport and communication -

Buses, Cars, trains, Ships, aeroplanes, ~~one~~ have made our travel comfortable, easier and quicker. A man can reach any part of the world within hours. He has also reached the other planets with the help of rockets. With the introduction of long distance Telephone calls through S.T.D and I.S.D we can talk our friends and relatives who are living very far from us. mobile phone is great service to man.

Medical and Surgery -

Science has cured a man from very dreadful diseases. T.B. and cancer have become controlled. It has made man healthier. In the field of Surgery too it has done wonders. Open heart surgery and transplantation have become possible.

प्रश्न क्र.

Computers -

Scientists have Invented Computer. These are wonderful Invention. Computer can do complex calculations and work quickly. This it can solve a lot of problems of man.

**B
S
E**

Disadvantages of Science -

Science has Given us atom bombs, They can destroy a lot of big city and kill a lot of peoples in few seconds. Big factories and other machines have made water and air polluted.

Conclusion -

Science has served a Modern man like a servant. If we properly used it it can make the life of man happy and healthy.

प्रश्न क्र.

Ans of Ques - [15]

"We are the Future"

The poet suggests that we should have to work as a team. We should not have negative thinking. We should face every problem so that we can make our future bright. We should not trust on future. Our future depends on our present deeds. We should forget differences and we stand united. People ~~are~~ come from village and towns to make our nation. We ~~also~~ should always work as a team and forgetting differences between us.

END
