Subject - A letter about the lack of facilities  
and malfunctioning of government  
hospital.

Respected Sir,

I would like to draw your attention  
about the lack of facilities and malfunctioning  
of government hospital of my area. Sir there  
are only 10 doctors and 20 nurses. There is no  
any facilities of Sonography and X-Ray machine  
and Sweepers is not coming to clean hospital  
area regularly. Necessary medicines are not available.

So please pay your attention about the  
lack of facilities and malfunctioning of Govern-  
ment Hospital.

Yours Sincerely  
Meena Verma

(b) "Importance of Games and Sports"

"Games life game that, wants to win  
My game to go the across the Indus Convey"

### Outlines -

1. Introduction
2. Physical and mental Education
3. Develop Sportsmanship
4. Inculcate Discipline
5. Develop leadership quality
6. International Appeal
7. Good for health
8. Conclusion

### 1. Introduction -

"All work and no play makes Jack a dull boy" goes the saying. Development of the body is as important as that of mind. They help in the development of the physique and mind of the students. They are food for the body as knowledge is food for mind. If health is wealth.

प्रश्न क्र.

Games and sports are the means to get it. They keep us active and make us smart.

## 2. Physical and Mental Education -

Landhiji said, "physical training should have as much place in curriculum as mental training. Mere bookish knowledge would not lead to proper development of a personality. Similarly mere sports won't do. The two should be blended in suitable proportion so that the students can have the best of them."

## 3. Develop Sportsmanship -

Games and sports develop the spirit of sportsmanship. "It means fair play and no partiality." The players play with team spirit. Thus they learn need of co-operation. With this quality, they proved to be good citizens in life. They

develop a feeling of Community life and self sacrificing nature.

#### 4. Inculcate Discipline -

**B  
S  
E**

Games and Sports develop a sense of discipline among students. A disciplined team wins the game. The players abide by the rules of the game and judgement of the referee. This teaches them the importance of rules in life. Therefore, Sports persons are generally found to be more disciplined than others.

#### 5. Develop Leadership Quality -

Games and Sports inculcate the quality of leadership. Students are the rulers of the future. So it is very essential for them to have the quality of leadership. Hence Sports should not be neglected every student should take part in games and sports.

प्रश्न क्र.

## 6. International Appeal -

Games are beneficial not only to players. They are equally beneficial to the public when a match being played. Spectators also enjoy it. In a way they take active part in it. Besides enjoying the games. They learn many things from it. Radio and T.V. have increased the interest of people in games.

**B  
S  
E**

## 7. Good for health -

Games and Sports are good for health. They refresh the mind and fill the body with fresh air. They keep us free from diseases. They provide fresh oxygen. They keep us more active.

## 8. Conclusion -

Games and Sports are these are very important. the

foundation for a virtuous life is laid in school. It at an early age a student develop the taste for studies and sports in a proper way. He can become an ideal citizen. A student learns many things from sports like discipline, sportsmanship, mental outlook, sense of humour. All these are important traits of successful life. A student who takes part in games and sports while studying seriously would become an ideal personality.

प्रश्न क्र.

Answer - 15 (08)

Summarize the poem "Psalm of life" -

The poem is appropriate as the poem praises life and inspires us to act in present. The poet says that one should not be pessimistic about life and considering it an empty dream or gave it ultimate loses interest in it. But he inspires not to think about past and future and live today and act in present.
