प्रश्न क्र.

1. Introduction : It is said that 'Sound mind lives in a sound body' but it is also scientifically proven that the development of mind is directly proportional to the development of body which neglecting neglecting of health gives an adverse effect on mind also. Games and Sports keeps our body physically fit and serve as an outlet for energy for young people.

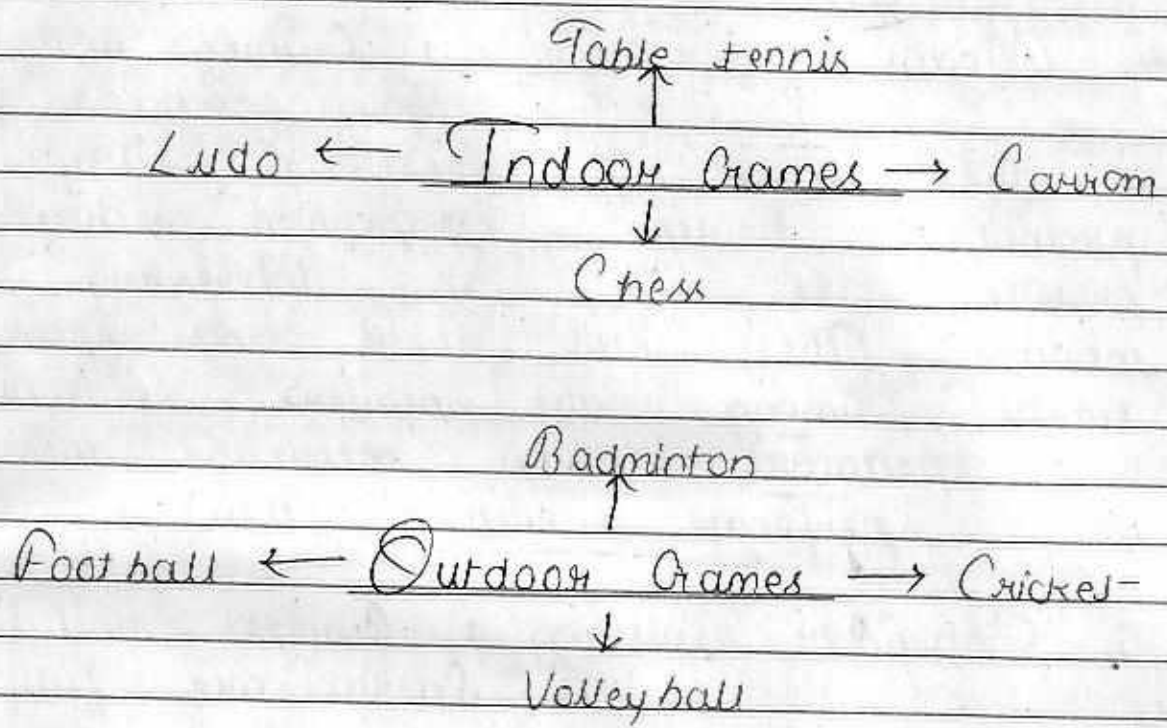

2. Types of Games : Today we are playing several types of games which not only keep our body fit but also refresh our mind for ~~an~~ doing something new and innovative. There are two types of games that we are playing are - (1) Indoor Games (2) Outdoor Games.

Some of the examples of games can be understood by following chart -

$$\boxed{\text{योग पूर्व पृष्ठ}} + \boxed{\text{पृष्ठ 2 अंक}} = \boxed{\text{कुल अंक}}$$

प्रश्न क्र.

3. Promote discipline : Games and sports have their own rules to be followed. They not only make them interesting but also promote discipline among the players. They provide team spirit, fair play, coordination, healthy competition etc. A player is supposed to play according to their prescribed rules and devote enough time to practice regularly, this promotes discipline among the players.

प्रश्न क्र.

4. Means of recreation : Games and Sports serves as the means of recreation. They promote healthy competition. They provide it in an interesting manner. They add thrill and excitement among the players as well as spectators who encourage them to perform even better.

B
S
E

5. Character Building : Games and Sports are full of victories and defeats. If, Players learn to accept victory and defeat alike, this promotes them face face challenge boldly, strive against odds and yet develop a true sportsman spirit that accept failure, not to give up come back with renewed spirit and hope to win.

6. Respect and popularity : Hardworking and talented players soon become celebrities. They get world wide fame and respectability. They are loved by their fans even outside
